### Temporarily Closer of Banquet Booking and Live Counter

Dear Members,

Due to the prevailing situation, there is a current shortage of LPG/PNG gas, which is impacting our operations. We have received two official notifications from Mahanagar Gas LTD stating that gas supply may be discontinued at short notice. In view of this, we are compelled to temporarily suspend all live counters, at our Bar Nites, Banquets, and Sunday Brunches.

Given the circumstances, we will also be putting on hold all Banquet bookings until further notice. We will resume these services as soon as the situation normalizes and gas supply is restored.

We appreciate your understanding and patience during this challenging period. Your continued support and patronage are invaluable to us, and we look forward to serving you better soon.

Thank you for your cooperation.
